

help new students navigate Yale

July 22, 2017

Yale Alumni connect with
First-year Scholars at Yale / FSY

Join Us

FSY gives incoming first-year students from under-resourced backgrounds an intro to Yale. For five weeks these students live on campus to prepare for campus life and learning at Yale.

Alumni with similar backgrounds and any alumni who want to make a difference: you can help by sharing your real world experiences in meaningful, caring ways.
